Did you know that puzzles help with letter recognition?

Custom name puzzles were very helpful to us! They helped Rosie recognize letters, spell her name, and start kindergarten with an edge.

You can read more about the benefits of puzzles here:

And if you think a custom puzzle might benefit your child (and you are based in the USA), please consider supporting our Etsy shop and ordering a custom made puzzle from us:

We add new designs every week and can make almost anything you'd like! We can also make only lower case, all upper case, or both. Let us know: **readmerosie@gmail.com**
