

ROBOT COLORING PAGES

and other activities

Cut out the robots at the bottom of the page and put them in the rectangular pattern.

ROBOT SAYS

Below are a list of suggested commands to use when playing ROBOT SAYS, a variation on the childhood game, Simon Says.

Remember to say Robot Says before the ones that you want someone to follow!

- Raise your right arm
- Bend and touch your knees
- Touch your toes
- Hold your left arm to the side
- Make a funny face
- Touch your head
- Tap your shoulders
- Balance on one foot
- Stand on your tippy toes
- Rub your tummy
- Pat your head
- Clap your hands
